

Huma Ali is an associate attorney at Joyce + McFarland LLP. Huma has previously worked at the firm Bailey Peavey Bailey, PLLC, where she specialized in mass tort settlements. She served as lead attorney in charge of developing, implementing, and executing the administration and processing of over a \$1 billion global settlement with pharmaceutical companies for over 23,000 claimants. She also assumed the lead in the firm's execution and processing of a \$14 million settlement for several hundred claimants.

Her previous experience as a practicing attorney also includes her time as an associate attorney at the Junell Law Firm where she was involved in every aspect of the firm's commercial litigation practice.

She is a graduate of the University of Texas and the South Texas College of Law, where she was a member of Phi Delta Phi and served as a Tax Langdell Scholar.
